

# ST IVES JUNIOR SCHOOL (SIJS)

vision

## ‘Learning Together, Free to Fly.’

### HUMANITY AND FAIRNESS

*We aspire to:*

- develop a deep understanding and appreciation of our place in local, national and global communities
- accept differences of faith, gender, race, age, ability or background in all people
- encourage high standards of behaviour through respect for people, property and environment
- raise awareness of different charities and how we could support them
- encourage, develop and model emotional intelligence

### Mission Statement:

‘To provide high quality teaching and learning and to raise achievement levels for all pupils.’

## SIJS Rights Respecting Moral Code

### SPIRITUALITY

We aspire to open eyes, hearts and minds to the mysteries of the world, to the spiritual connections we have with each other, our communities and our planet- and the wonders of living in and amongst them as united global citizens.

Our awareness, tolerance and acceptance for everyone’s physical, mental and spiritual differences will define our future for generations to come...

### EDUCATION

*We aspire to:*

- develop a risk-taking attitude to learning in a warm, caring, secure and barrier free environment
- encourage lively and questioning minds
- provide a motivating, engaging and inclusive learning community which offers choice and challenge
- develop an embedded understanding of how we learn using the five life-long learning dispositions of Responsibility, Reciprocity, Reflectiveness, Resilience and Resourcefulness
- motivate everyone to be responsible life-long learners
- develop everyone’s personality, talents and abilities
- be the key which unlocks everyone’s gifts

### VOICE

*We aspire to:*

- encourage everyone to say what they think in all matters affecting them and value each other’s opinions
- encourage everyone to question both thoughtfully and reflectively as well as discuss logically and rationally
- show resourcefulness to seek and share information as long as this respects the rights of others

### HEALTH

*We aspire to:*

- make water readily available, provide nutritious food and a clean hygienic environment
- educate everyone about healthy lifestyle choices (drug awareness, Sexual Relationship Education, hygiene, nutrition)
- work quickly with outside agencies to care for everyone’s mental, emotional and physical health
