Spring term 2011

Number 9

08/04/2011

Dear Parents / Carers

ALL STAFF AND GOVERNORS WISH YOU A VERY SUNNY, SAFE AND HAPPY HOLIDAY.

Thank you to all relations who managed to come to our open afternoon on Wednesday. It was super to see the school so full of students sharing their learning and progress.

Thank you also to everyone who sent in cakes, which went amazingly well and to the year 6 pupils for selling them. With our daily healthy tuck shop too, year 6 students are developing increasingly effective customer service skills.

TESCO VOUCHERS

We are aiming to reach 31,480 vouchers this year to once again be able to gain another white apple-mac computer as seen in the year 5 and year 6 learning zones for year 4.

We have reached 4,400 so far and this is just to highlight please that we need your help so that we can reach this target by **1st ~July**. We have some considerable way to go!

HOLIDAY LEARNING

Each year group has a Holiday Learning Diary, or in Year 6, a Holiday Learning Pack. We very much hope that parents and carers will support their child in not losing all the learning gains from this term.

If you don't use it, you lose it!

THANK YOU

INDEPENDENT THINKING

We are using Mrs Watts 8 way thinking model through the school in the summer term- based on Ian Gilberts work (www.independentthinking.co.uk) Here it is so that you can get to use it hopefully with your child too! Year 3 are the experts so far.

Please see the attachment at the end of the newsletter.

Like Einstein's mother we are hoping you will ask your child after a day at school... **WHAT QUESTIONS DID YOU ASK TODAY DEAR?**

Happy, Happy Easter.
Sue Smith
