Spring term 2012

Number 1

18/01/2012

Dear Parents / Carers,

Welcome back!

All parents should have received year group learning newsletters as usual, via their child. Please contact us if you have not.

This term has 3 weeks after this week to half term, including our last in-service training day on Monday 6th February when school is closed. We choose this day each year as one of our training days so that all parents and children can take part in St Ives Feast festivities! Details are enclosed.

Monday March 19th is our mid year Progress Review day when school is closed except for individual conferences for parents together with their children, throughout the day. This means that you have at least three in depth consultation opportunities, one a term with class teachers, throughout the year. A letter will be posted home with an allocated time and we very much hope to have 100% attendance once again. Research shows clearly that parents attending together with their child, impacts hugely in children's motivation in wanting to learn and make good progress with high aspirations. I have already mentioned that if a particular time suits you please contact the office soon as possible please as letters will be coming out in 2 weeks.

Despite the increasingly challenging economic climate we need to keep aiming high for our children and enable them to thrive and flourish in a rich positive learning environment so that they achieve the 5 'ECM' EVERY CHILD MATTERS Outcomes:

- Be healthy
- Stay safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic well-being (get a good job which means you can support yourself)

Many thanks as always,
Mrs Smith.

POPPY APPEAL

Thank you very much to everyone who helped support the Poppy Appeal. The total raised by the school was £54.35.
