

Our school is part of a project to support children and families, which is running jointly between schools and Devon and Cornwall Police.

‘Operation Encompass’ is a system of reporting to schools, prior to the start of the next school day, when a child or young person has been exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police. The information that has been shared, in confidence, will ensure that we are able to make provision for any difficulties experienced by children, or their families, where they have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.
