

SCHOOL IMPROVEMENT PLAN 2017-18

KEY PRIORITIES

TEACHING LEARNING AND ASSESSMENT

To improve and ensure the coverage and continuity of experience in all subject areas

To be able to identify and respond to progress issues in a timely manner

TARGET 1

- To ensure that the overall curricular experience meets all statutory requirements and develops KSU across the Key stage

TARGET 2

- To develop the assessment system to ensure that pupil progress in core subjects is tracked and responded to throughout each year

TARGET 3

- To ensure that teaching remains at least good, with an improving percentage of outstanding lessons across the school

TARGET 4

- To foster and promote a love of reading (and promote the SMSC outcomes)

LEADERSHIP AND MANAGEMENT

To develop leadership at all levels

To secure succession planning and consistency

TARGET 1

- To promote staff wellbeing and welfare

TARGET 2

- To develop and empower subject leaders and senior staff (UPR) within the school

TARGET 3

- To embed the strategy to promote SMSC and BVs across the school and curriculum

PERSONAL DEVELOPMENT BEHAVIOUR AND WELFARE

To support children in developing self-managing strategies

To enable all children to recognise and use safe strategies and behaviours

To use IT to enable quick easy and appropriate sharing of information and concerns and to analyse patterns, trends and issues

TARGET 1

- Review and develop the effectiveness of the behaviour management policy, PSHE and Jigsaw to promote self-managing strategies

TARGET 2

- To review and refine the systems for safeguarding to ensure that they are immediately and easily accessible

PUPIL OUTCOMES

To improve attainment and rates of progress in areas where they are not yet high enough

To ensure that children in vulnerable groups make good progress and attain well, and that where evident, gaps are narrowed or closed

TARGET 1

- To improve the progress of target groups – EVER6 and SEND

TARGET 2

- To develop confidence and embed strategies for learning and applying spellings and good quality punctuation and grammar

TARGET 3

- To improve progress in Maths so that this becomes positive compared to the national progress figure for all groups
